PROFESSIONAL SUMMARY

Computer Science undergraduate with hands-on experience in full-stack web development, REST APIs, and open-source collaboration. Completed a CodSoft Web Development virtual internship and contributed merged Corsair PR #1462 during HackBlox 2026. Skilled in React, Python, Django REST Framework, OAuth 2.0, JWT, Git, and API testing.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Python, C, C++, HTML5, CSS3

Frameworks and Libraries: React.js, Tailwind CSS, FastAPI, Django REST Framework, Zod, Streamlit, scikit-learn

Backend and Data: REST APIs, OAuth 2.0, JWT, Async/Await, MongoDB, SQLite, TF-IDF, LLM API integration, RAG

Tools and Platforms: Git, GitHub, VS Code, pnpm, Vite, Netlify, Render; API testing and debugging

EXPERIENCE

Web Development Intern (Virtual) | CodSoft | Jul–Aug 2026

- Completed a four-week virtual Web Development internship (July 10–August 10, 2026), contributing to assigned tasks and projects.

Open-Source Contributor | Corsair — HackBlox 2026

- Merged PR #1462, “Botbaba Plugin Integration,” into the Corsair open-source project during the Open-Source Contribution Round.
- Worked with Zod, OAuth 2.0, pnpm, Async/Await, error handling, API integration, debugging, and API testing.

Merged PR: https://lnkd.in/dfZbUD26 | Repository: https://lnkd.in/d29QN98d

PROJECTS

Library Management System | React, Vite, Tailwind CSS, Django REST Framework, JWT, SQLite

- Built librarian/student portals; REST APIs for books, students, and loans; search, dashboards, JWT authentication, transactional lending, and 8 Django API tests.

Internship Matcher — India 2025 | Python, Streamlit, scikit-learn, TF-IDF

- Co-developed an explainable recommendation application with three teammates to rank internship opportunities by students’ skills and preferences.

Canvas Landing Page | HTML5, CSS3, CSS Grid, Flexbox

- Created a responsive education landing page with feature cards, testimonials, and clear calls to action.

Calculator Web Application | HTML5, CSS3, JavaScript

- Developed a responsive, keyboard-friendly calculator with percentage, backspace, sign toggle, and error handling.

HACKATHONS AND CERTIFICATIONS

- HackBlox 2026 — Participation certificate; Corsair pull request #1462 successfully merged.
- OneHack 2026 — Participant; certificate dated September 13, 2026 (NSUT).
- CodSoft — Certificate of Completion, Web Development virtual internship (August 2026).

EDUCATION

Shri Vishwakarma Skill University (SVSU) | 2025–2029: B.Tech, Computer Science Engineering

Indian Institute of Technology Patna (IIT Patna) | 2025–2029: BS, Artificial Intelligence and Cyber Security (Hybrid)

Government Senior Model Sanskriti Secondary School | 2024–2025: Class XII, Science Stream (65%)
